Presentation on the school in English

Students enjoying conversations in groups

4. Schedule

1. Greetings

2. School introductions

- The Tokyo side used PowerPoint slides
- The U.S. side used a white board

3. Introduction of School Festival by Toyama High School

4. Questions and answers

5. Group discussions

- Students broke into groups of two to three
- Music video prepared by the U.S. students

6. Closing remarks

5. Additional information

- ◆ The Toyama High School students moderated the group discussions.
- ◆ The school introduction session presented a good opportunity for exchanging information between the two schools. The Q & A session was also lively.
- ◆ During the group discussions, students introduced snacks from their respective countries, played games, and enjoyed conversations in a relaxed atmosphere.
- ◆ The students became excited while watching the U.S. students dress up like famous artists and dance.
