Lunch time

5. Additional information

- ◆ The student guests were guided to the gymnasium one-by-one by the Josui High students. Entering the gymnasium for the welcome ceremony, they were warmly received with applause.
- ◆ During the ceremony, both groups exchanged greetings and presentations about their schools. The Josui students gave demonstrations of *kendo* and dance, while the Malaysian students presented a traditional dance in national costumes, earning loud applause and calls for an encore.
- ◆ The Josui students gave explanations of the cultural activities in English. When their communication was successful, they shared high-fives and handshakes, enjoying their interactions.
