4. Schedule

- 1. Greetings**
- 2. Observation of English, art, and other classes**
- 3. Discussion with the principal**
 - Introduction of the school, including collaborative activities with museums
- 4. Commemorative photo**

5. Additional information

- ◆ The Minister enjoyed interacting with the students as she greeted them in English, answering and asking them questions in a friendly manner.
- ◆ The UAE delegation also inspected the place where lunches were prepared during their tour of the school. They were also very interested in how Japanese students cooperate to serve and clean up school lunches.
- ◆ The principal introduced the art classes held in partnership with museums, the school introduction flyers created by the students, and an original doll created to represent the school.
