5. Additional information

- ◆ Continuing from the previous year, Anno-Gymnasium Siegburg students participated in the Fuji Junior and Senior High's Research Presentation Event.
- ◆ Presentations were done as poster sessions with both the Fuji Junior and Senior High schools. The third-year student gave their presentations in English.
- ◆ The Anno-Gymnasium Siegburg student presentations were scientific and of high quality. The Fuji Junior and Senior High students proactively asked questions in English.
- ◆ The German students visited the school the day before on Friday and deepened exchange by participating in classes and club activities. Influenced by the visit, the German students enthusiastically expressed their desires to see the research presentations, saying, "We want to go see our Japanese friends' presentations!"
